Katrina has practised since 2008 in various Australian state and federal jurisdictions.

She has extensive experience in all aspects of insolvency, banking, and commercial litigation.

Katrina has advised major banks and regional banks, and other financial institutions on all aspects of insolvency and recovery issues. Her experience includes advising on mortgage recovery matters, injunctive and declaratory relief.

Katrina regularly acts for insolvency practitioners appointed as receivers and managers, voluntary administrators and liquidators or trustees in bankruptcy.

Katrina has acted for mining companies, international corporations and their directors, developers, and for shareholders and directors in complex disputes. She has experience in litigation of all sizes in various Australian state and federal jurisdictions, including matters involving injunctive and declaratory relief, mortgage recovery and complex banking litigation. She also has cross-border experience as well as experience conducting and appearing in international arbitrations.
